

Scientific Advisory Board

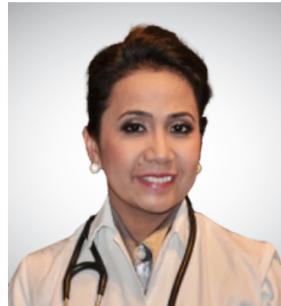

We've gathered leaders from across the medical field to form the Three Scientific Advisory Board. Its twofold mission is to improve quality of life through holistic health education and to inform the development of our world-leading, advanced delivery products. This panel of experts is integral to ensuring that Three's products are the optimal blend of cutting-edge science, uncompromising safety, and best-in-class efficacy and bioavailability.

DR. STEPHEN R. SABO
MD

DR. LANA WANIA-GALICIA
MD

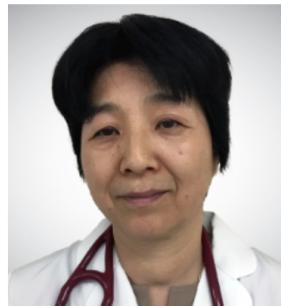

DR. JAMES B. BAKER
DO, FACOI

DR. TIMOTHY SCHNEIDER
MD

DR. JESSICA BORDON
DPM, PA

DR. NAOKO YOSHIMURA
MD

Dr. Dan Gubler

PH.D. I CHIEF SCIENTIFIC OFFICER

Dr. Dan Gubler, Ph.D., is a Caltech-trained natural-product chemist and former professor who has traveled to every continent discovering and researching bioactive compounds in plants and using them to help others. An expert on how natural molecules from plants can dramatically improve human health, Dr. Gubler has 16 patents granted or pending and has developed 70 nutritional supplements that gross \$500 million in annual sales.

Over the course of his career, Dr. Gubler has been recognized with the DSA Visionary Award, the Schering-Plough Science and Innovation Award, the American Cancer Society Fellowship, the Eli Lilly Fellowship, and the Best Educator Award from Brigham Young University-Hawaii. He has also been inducted into the London Speaker Bureau and has spoken at over 150 events in 40 countries to audiences as large as 60,000. In addition, Dr. Gubler is the founder and host of "Discover with Dr. Dan: The Proactive Health Podcast," which is ranked among the top 50 nutrition podcasts in the world. He holds a Ph.D. in organic chemistry from Colorado State University as well as a B.Sc. in biochemistry from Brigham Young University.

A strong advocate for discovering and utilizing nature's health secrets along with new compounds and novel formulations that promote health, Dr. Gubler is passionate about sharing actionable scientific information within the direct selling channel to improve individual health and transform quality of life for people around the world.

Dr. Stephen R. Sabo

MD | THREE SCIENTIFIC ADVISORY BOARD MEMBER

Dr. Stephen R. Sabo is currently an Attending Emergency Physician in the Emergency Department at Good Samaritan Regional Medical Center in Suffern, NY, where he also teaches as an Assistant Professor of Emergency Medicine. He has spent time as reviewer for the American Board of Internal Medicine Examination, as well as Commissioner for the Northwest Bergen Regional Health Commission in Bergen County, New Jersey. Dr. Sabo has also served as the Vice President and President of the Upper Saddle River Board of Health in New Jersey.

Dr. Sabo graduated in medicine at the Chicago Medical School, but also spent time studying in Lille, France, at the Faculte Libre de Medecine. His postgraduate study took him to the Mount Sinai School of Medicine in New York where he completed his residency in Emergency Medicine. In addition, he completed a residency in Internal Medicine at the Beth Israel Medical Center in New York. Prior to studying medicine, Dr. Sabo earned his Bachelor of Arts from Brandeis University in Waltham, MA.
